

August 03, 2024

Greetings Mambas,

Welcome to the 2024-2025 school year at Success Work Academy! We are thrilled to have you join us as we embark on an exciting journey of teaching, learning, and student growth. Together, we look forward to a year filled with success and academic achievement.

This year, we renew our commitment to excellence in everything we do. Our goal is to provide outstanding instruction tailored to each student through individualized learning plans. We firmly believe that all students can learn and succeed, and we are dedicated to supporting their academic strengths and addressing any areas of improvement. Our mission is to ensure that every scholar is prepared for college or the workforce.

We will continue to offer advanced academic classes and the opportunity for our high school scholars to take college courses alongside their rigorous high school curriculum. We believe in engaging all stakeholders in the education process, and this year, we will focus on improving student literacy. We are eager to partner with you in this effort, as enhancing literacy will positively impact student performance across all content areas and contribute to their overall academic growth and development.

Additionally, we are excited to expand our STEM program, rebuild our extracurricular activities, and offer engaging after-school programs that complement the common core curriculum learned during the day. These initiatives will provide our students with a well-rounded educational experience.

I am genuinely excited about the opportunities this new school year brings and look forward to working together as a family to ensure that our students receive the best education possible. Success Work Academy remains steadfast in our commitment to academic excellence and the achievement of our scholars.

Thank you for your continued support and partnership. Let's make this a remarkable year!

Sincerely,

Valanitta Jingles, M.Ed.  
Chief Executive Officer
